

MEET THE DOCTOR

DR. CHING (HANNAH) TSAI earned her bachelor of science in biology, and her doctor of dental science (DDS) degree from the University of the Pacific in California. Upon graduating, she served in communities of Roswell, NM and Merced, CA. Dr. Tsai has made Bakersfield her home because of the warm embrace she has experienced here. Her mission is to improve your smile and to give you the tools to maintain good oral health. She believes in treating each patients like family.

At Sunny Dental, we treat every patient like family members who traveled from afar. We cherish our time together by offering top-quality care. We accept most PPO insurance plans and try our best to maximize your insurance benefits.

Staying updated and informed is important to Dr. Tsai. She is part of the American Dental Association, California Dental Association, and Kern County Dental Association. She frequently attends continuing education courses such as dental implant placement, and OSHA infection control to ensure that she is providing the best service to her community.
